## I've Got a New Special Edition!

A couple of weeks ago, I had an absolute BLAST at the Love On The Beach book signing at the Gold Coast! Thank you to everyone who came to visit me at my table, it was so great to meet you all!

Unfortunately, the event took me down, along with many others with the dreaded Rona and I've been stuck rotting in bed. But I'm slowly on the mend and ready to share some fun exciting news with you!

I've got a brand new special edition that will exclusively be available at book signings and to Patreon subscribers! It's called **The Legacy of Witches**, which includes all of the *Okriith Novellas* plus a bonus novella: *The Ribbons in the Trees*.

If you're unable to come see me in person and want to buy a copy of this limited special edition, head over to my Patreon!
