

## Reviews are in!!!

Easy Tiger has been out in the wild for a month now, and I'm overwhelmed with how much you loved Hawk and Hannah's story! I'm so thankful to you for making every single book release special for me.

There have been so many touching reviews for Easy Tiger and I wanted to share a few:

***I want to stay on Prickle Island forever***

*I love this zoo and this family!*

*Ali has given us another fun, chaotic zoo-mance but this time they decided to slap me in the face with emotions. I was literally crying at 1am finishing this book.*

***I love Prickle Island Zoo so much!***

*This book literally had me kicking and giggling the entire time. I laughed out loud and I also cried. I loved it so much.*

***Absolutely Tiger-ific***

*Ali K. Mulford writes neurospicy heroines and the rep is always excellent. Hannah's chaotic adventures were truly hilarious. I adore the Lachlan family, learning interesting animal facts, and the lovable sibling interactions. The Prickle Island Zoo is one of my favorite series and I would highly recommend it to anyone. I can't wait to read Finch's story next!*
