**The Amethyst Kingdom is  
NOW LIVE!!!**

I am absolutely thrilled to announce that the final installment of The Five Crowns of Okrith series, **The Amethyst Kingdom**, is now live!

This book holds a special place in my heart. It's a culmination of years of hard work, passion, and countless emotions. I can't wait for you to join Carys Hilgaard and her former flame, Ersan Almah, as they navigate the challenges of love, destiny, and a kingdom in peril.

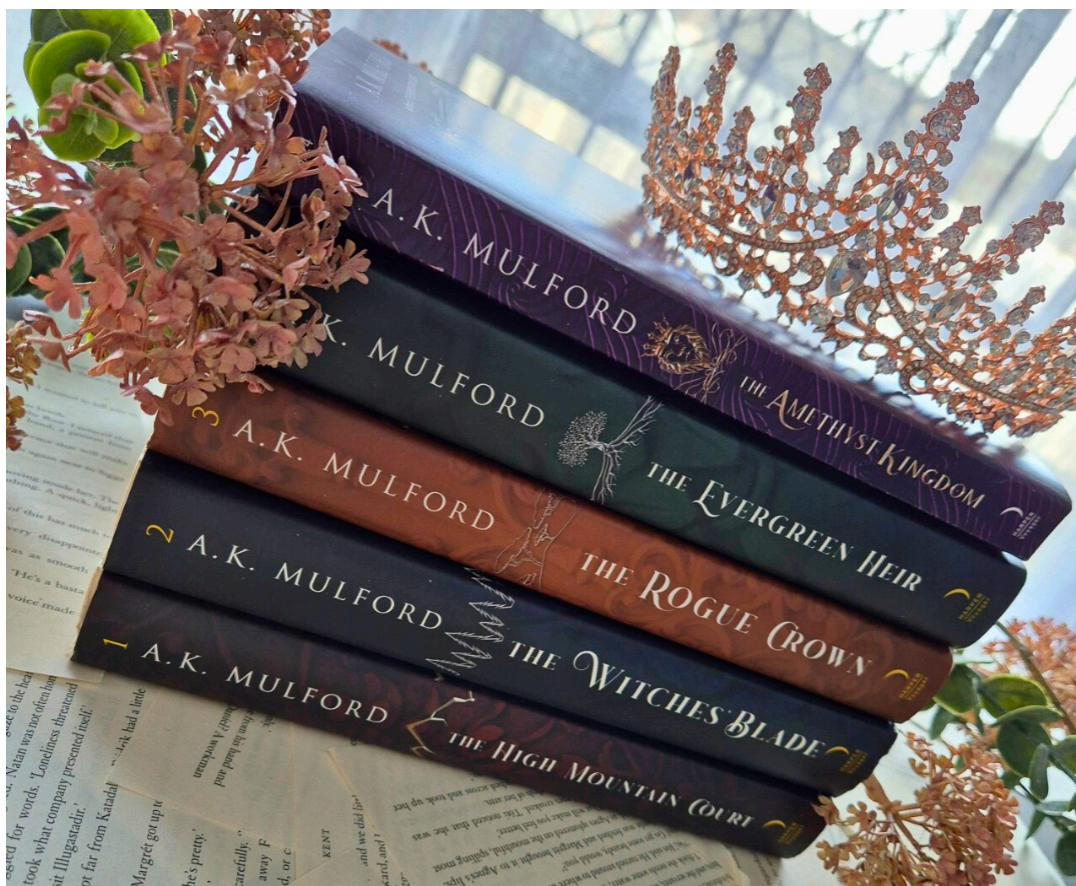

Their story is filled with:

- 👑 Found Family
- 👑 Second Chance
- 👑 Fated Mates
- 👑 Strong FMC
- 👑 Fate vs Freedom
- 👑 Death Trials
- 👑 Mental Health Convos

Thank you for being a part of this incredible journey with me. Your support means the world.

## The Five Crowns of Okrith series is now complete!

Three years ago, I was in a dark place. Depression, chronic pain, and two restless kids made life feel impossible. But in the quiet hours of the morning, I found solace in writing.

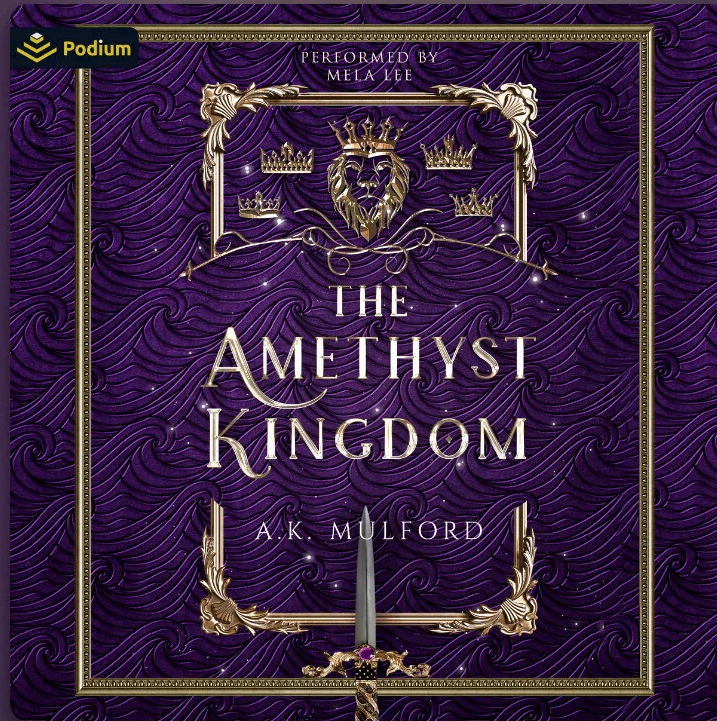

I poured my heart into a fantasy world, the High Mountain Court, not knowing where it would lead. Then TikTok happened, and I found my people—fellow dreamers who believed in magic as much as I did.

Fast forward, and here we are: **The Amethyst Kingdom**, the final chapter in The Five Crowns of Okrith series is now out. It's surreal, really.

To all of you who've been with me since the beginning or just joined the journey, thank you. Your support has turned a solitary passion into a community, and I'm forever grateful.
