

**It's Party Time at the Zoo!!!**

**Out Meow!!**

***She's never done love long-term. But will faking it lead to forever?***

*Finch Lachlan works hard and parties harder. But tired of her siblings judging her fun-loving ways, the head veterinarian at her family's zoo vows to prove she can make it past the third date. And maybe she can begin with the hottie who just seized her attention with a sizzling kiss.*

*Chef, Frankie Benedetti, craves a fresh start. But after learning her ex-boyfriend and his new squeeze are spending the summer in the same place, she panics and locks lips with the first hot woman she can grab. And when she discovers they're coworkers, Frankie convinces the tattooed vet to enter into a mutually beneficial, make-believe relationship.*

*Impressing her close-knit clan with displays of commitment, Finch feels the lines blur as the two women grow closer. But Frankie fears their scheme could be the victim of its own success and end with two broken hearts...*

*Will Finch and Frankie's playful passion turn into something real?*

*Party Animal is the sweet and spicy third book in the Prickle Island Zoo romantic comedy series. If you like sapphic heroines, animal antics, and light-hearted reads, then you'll adore Ali K. Mulford's funny tale.*

*Each book in the Prickle Island Zoo series follows a different Lachlan sibling and any book in the series can be read as a standalone!*

Party Animal has been released from captivity! I'm so excited for you all to read Finch and Frankie's story.
