## The Love Archives is NOW LIVE!

Hi Mountaineer!

I am beyond thrilled to announce that *The Love Archives* is now live! This romance anthology is packed with bonus scenes, excerpts, extended epilogues, and alternate POVs from some of your favorite romance authors. Not only will you get to enjoy exclusive content, but all proceeds go towards Operation Olive Branch to help families get out of Palestine.

As part of this special collection, I'm excited to share that I've contributed a short story that offers a unique perspective into the world of *The High Mountain Court*. In my story, you'll experience Prince Hale's POV, revealing the moments leading up to the first scene in the book. It's a heartfelt and intimate look at a beloved character that I know you'll enjoy.

*The Love Archives* features 120 short stories from an array of talented romance authors, all coming together for a noble cause. This anthology is the perfect way to enjoy some new romance reads while supporting a truly important mission.

Thank you for your continued support and for joining me on this journey. I can't wait for you to read this anthology!
