A Sky of Emerald Stars is out next month!

Hi Mountaineer!

The release of *A Sky of Emerald Stars* is just around the corner! It's hitting shelves on December 24 (Merry Christmas 🥳), making now the perfect time to read (or re-read) *A River of Golden Bones*!

OUT NOW - A River of Golden Bones: If you're a fan of wolf shifters, found family, fated mates, and a touch of tension and spice, this book has it all! Follow Calla's journey as she uncovers secrets, faces the dangers of a Sleeping Beauty-style curse, and explores her own identity in a richly woven world. It's an unforgettable story that sets the stage for everything to come.

PRE-ORDER NOW - A Sky of Emerald Stars: In the second book of the series, we dive even deeper into the world of Aotreas as new threats loom and alliances are tested. Sadie's journey as a royal guard brings fresh perspectives, intense pack politics, and high-stakes adventure. Queen Calla, too, is faced with new challenges—and the journey to self-discovery is just beginning.

Catch up with *A River of Golden Bones* now so you're all set for the next chapter!

Happy reading and see you in Aotreas!
