

New Romantasy Is On The Way!

Hello Mountaineer!

Dreamslayer is a labor of love that my heart NEEDED to write and its a story that has been a long time in the making. This is a dark sapphic romantasy about a Dream and a Nightmare on a mission to escape Hell, and I am giving you not one, not two, but THREE BOOKS in this new Universe!

I am chronicling the entire process, from idea, to finished book, over on my shiny new Youtube channel, which is already packed full writing advice, vlogs, and general writing chaos! (And don't forget to subscribe!)
