[View in browser](#)

We've been keeping a secret! We wrote an entire side quest book!

Get in witches, we're going to summer camp! *Curses & Cold Brew* isn't the only Maple Hollow book coming this year. Come join the Maple Hollow witch coven for a magical summer at Lake Nevermore!

Summer Camp is a sapphic, witchy side quest that takes place between the events of *Pumpkin Spice & Poltergeists*, and *Curses & Cold Brew* with two brand new main characters (PLUS Iris and Ramona's second kiss) 😊

This story is only available via Patreon (even at the \$1 tier!) with the wider release happening next year. (You can also buy the e-book via Patreon without subscribing if you'd prefer too!)

AND patrons get *Curses & Cold Brew* ARCs two weeks early! (Want an ARC but don't want to sign up to Patreon? That's okay! Click the button at the bottom of this newsletter and you'll be added to my rom-com ARC team!)

Maple Hollow's Newest Magical MCs!

Both of these gorgeous portraits were magicked into life by the so-very-talented [Anaieseart](#) and they're a perfect way to reintroduce Iris and Ramona, as the main characters of *Curses & Cold Brew*!

We met Iris Stonewood in *Pumpkin Spice & Poltergeists*, where she works at the Poisoned Apple Apothecary with her best friend and fellow apothecary witch, Jordyn, and they made a deal with resident deal-slinging demon Ramona Henry to . . . well, IYKYK, but if you don't, you can find out [here](#)!
