Lycans & Lattes

ALI K. MULFORD & K. ELLE MORRISON

**Another tasty treat is on it's way from Maple
Hollow!**

K.Elle Morrison and I couldn't help ourselves - We love Maple Hollow soooo much we honestly never want to leave our cozy, witchy little Halloween town. SO we're back for more!

What's Lycans & Lattes about? Read on!

A lovable werewolf baker. A hopelessly smitten café owner. And one small town of paranormal busybodies.

Welcome to Maple Hollow, where the hayrides are haunted, the gossip is juicier than the apple cider, and the town's favorite slow-burn romance is finally about to ignite.

For years, café owner Willow has harbored a not-so-secret crush on the town's flour-dusted heartthrob: Wyatt. Everyone in town thinks they go together like a cinnamon latte and a maple scone. But despite the obvious sparks, Wyatt keeps Willow at arm's length.

Wyatt is hiding more than just his feelings—like the fact he's the local werewolf pack's next alpha and falling in love with a human could spell disaster. Especially now that a mysterious someone is determined to keep them apart. Blackmail notes, eerie warnings, and a growing sense of danger start to unravel the truth, but Willow isn't about to back down without a fight.

With Halloween looming, Willow and Wyatt must decide if their love is worth risking it all... including the wrath of whoever's been watching them from the shadows. Love is a beast, and this year it's got claws.

Get ready for sweet treats, sharp teeth, and a cozy paranormal romance that's anything but tame. Perfect for fans of cinnamon roll heroes (and actual cinnamon rolls!), this Halloween rom-com will leave you howling for more.

Iris and Ramona's story had already grabbed my attention in book 1. I am a complete sucker for grumpy sunshine. "Curses and Cold Brew" definitely gave me that energy. The Sherlock Watson vibes were an added bonus. And Ramona's craft closet! I was not expecting that!

Move aside Sherlock and Watson, Iris and Ramona got it from here! I am obsessed with their detective work and the excitement Iris gets from wanting to help Ramona with her deals. Even if demons and witches aren't meant to be, these two break the mold!
